WHITE IS MY SUGAR!

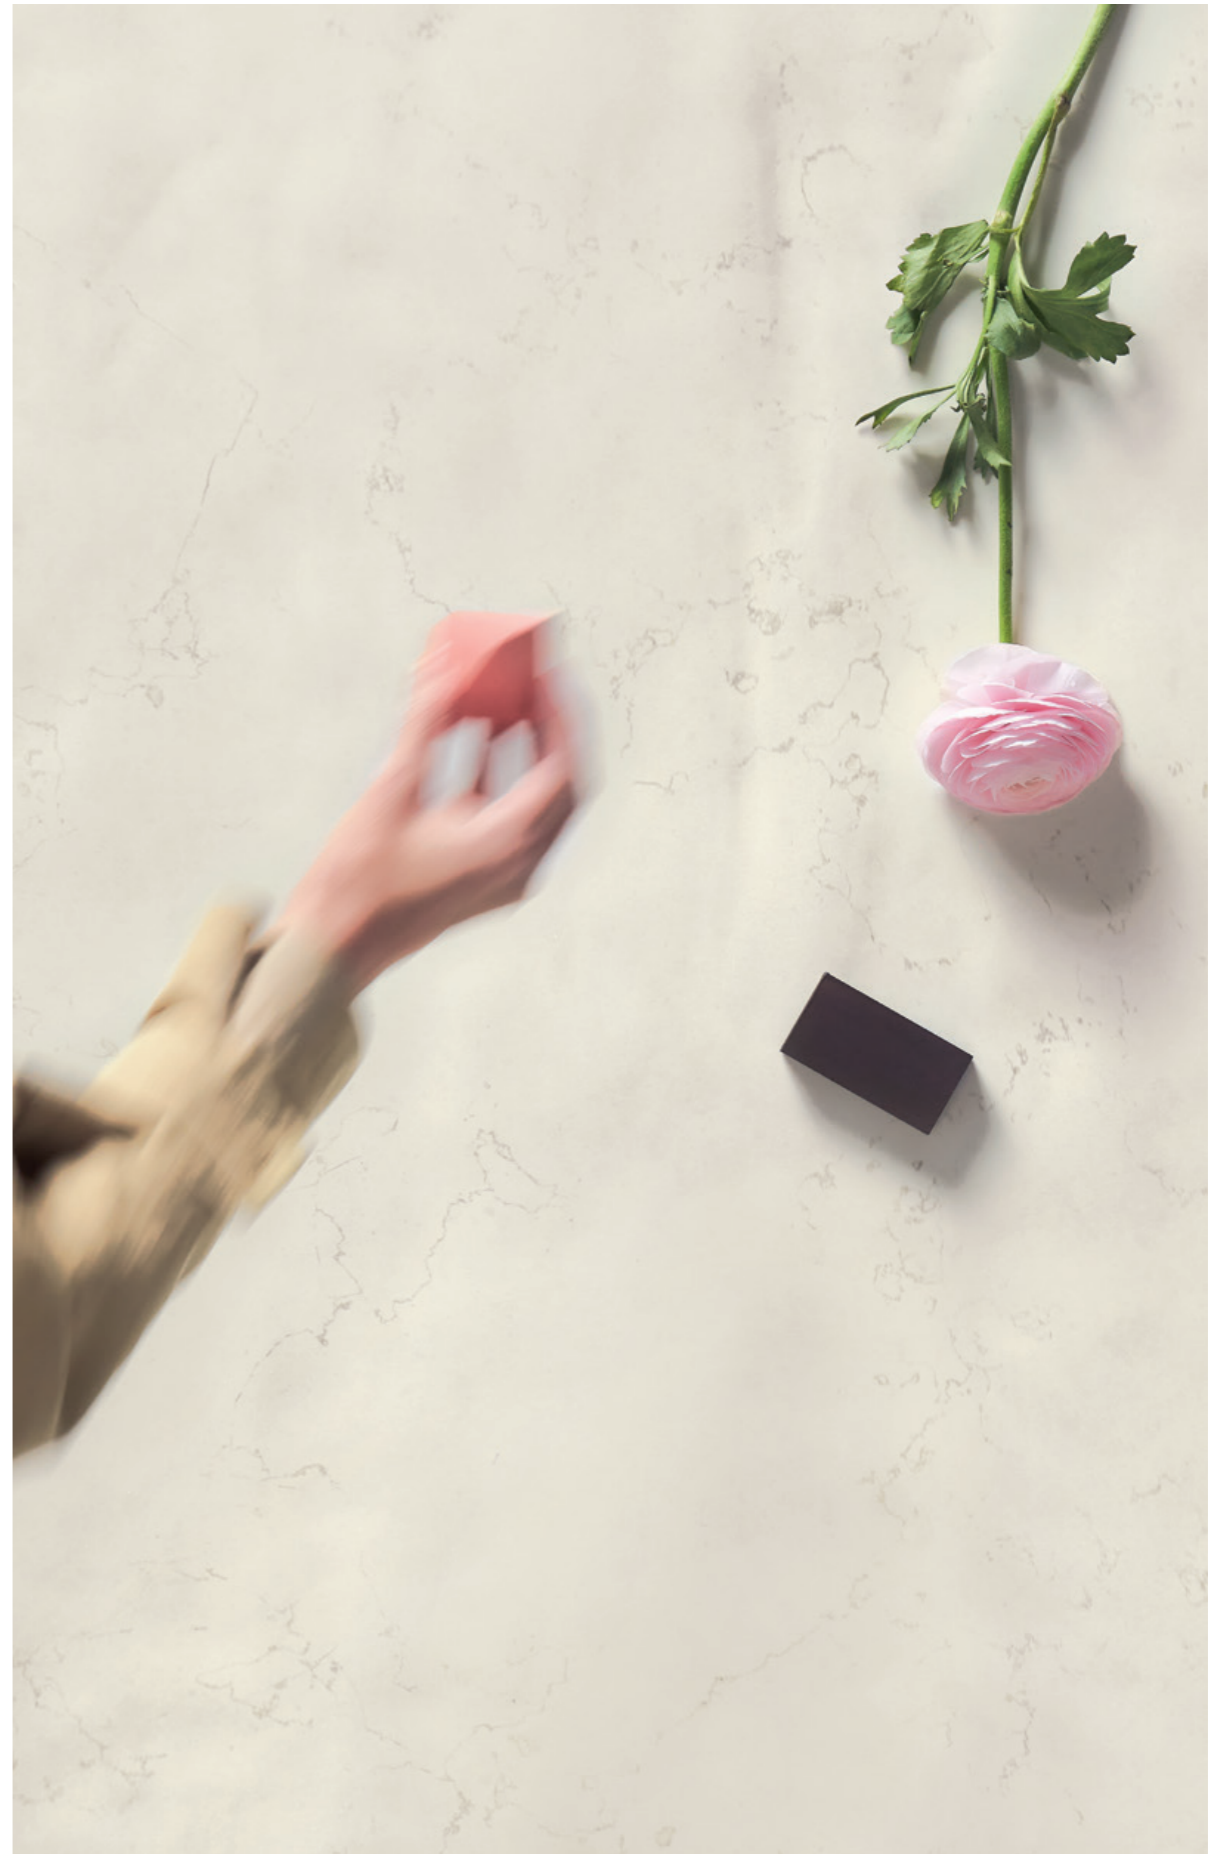

White is my sugar! È il momento del bianco, morbido e versatile, declinato in otto diverse finiture e sette formati. Un percorso parallelo a quello fatto per SCB, una raccolta di elementi studiati per essere abbinati tra loro, uno studio sulle lavorazioni di superficie: lucida, naturale, bocciardata, incisa, strutturata, lappata opaca come novità. Oltre a tutto questo c'è Happy, un agglomerato dai toni caldi in formato 60x120, e due decori da rivestimento, in 12,5x12,5 cm e 12,5x25 cm, monocromi e strutturati, in bianco e mandarino; quest'ultimo colore crea il twist contemporaneo con la pietra. SCW è una tela bianca pronta ad essere accostata al colore. Viene così ampliato il contenitore di Superclassica, ideale sia per progetti residenziali che commerciali, interni ed esterni. La famiglia si allarga. Una famiglia super!

White is my sugar! It's time for white, soft and versatile, available in eight different finishes and comes in seven sizes. A journey parallel to that made for SCB, a collection of elements designed to be mixed and matched with each other. A study on surface processing: polished, natural, bush-hammered, engraved, structured and the new semi-polished matte finish. In addition to all this, there is Happy, a bundle of warm tones in the 60x120 cm 24"x48" size and two wall decors in sizes 12,5x12,5 cm 5"x5" and 12,5x25 cm 5"x10", monochromed and structured in white and tangerine; the latter color creates a contemporary twist with the stone. SCW is a white canvas ready to be matched with colors. The Superclassica range is thus expanded, perfect for both residential and commercial, indoor and outdoor projects. The family keeps growing. A super family!
